Wool Style Collection è una proposta pensata per esaltare le caratteristiche di una base 100% lana bouclé.

Attraverso la moderna tecnologia di stampa Chromojet® è possibile riprodurre qualsiasi disegno con la massima risoluzione, con il valore aggiunto di una base in fibra naturale.

Dalla combinazione di sedici colori adatti per ogni ambiente e ventisei disegni, fra moderni e tradizionali, nasce una proposta non per vincolare, ma per ispirare.

Wool Style Collection is a proposal designed to enhance the characteristics of a 100% bouclé wool base.

Thanks to the modern Chromojet® printing technology, you can reproduce any design with the highest resolution, with the added bonus of a natural fibre base.

By combining sixteen colours, suitable for any environment, and twenty-six drawings, modern and traditional, we make a new proposal not to constrain, but to inspire.
